Roy Shaw Real Estate Named Local Agents

Roy Shaw Real Estate, has been chosen area representative for California City, the huge planned city in the heart of Boron Valley.

The local firm, which has nine offices at convenient locations in the South Bay area, will represent the developers of the new city located north of Edward Air Base in the Mojave Desert.

The planned new city is being developed by the same foresighted men who converted Hesperia from a forgotten hamlet to a thriving community with schools, churches, shopping centers, and in three years have made it a recreation center for Southern California.

Roy Shaw, head of the real estate firm, pointed out that California City is situated where it is served by three major highways and two railroads and is strategically placed between the two largest military-industrial centers in the entire Mojave.

It is located south of the Naval Ordnance Test Station at China Lake. To the northwest is the \$20,000,000 U.S. Borax and Chemical Plant.

Some other industries in Boron Valley include Convair, Curtiss-Wright, Lockheed, North Amer-

Party Workers Sign over 1000 Registered Voters

The North Torrance Democrat Club, with fifteen registrars, covered the entire North Torrance area looking for people to register last Saturday.

This club has taken its patriotic duty very seriously, President John Mulvihill states. In the past three months the membership has gone out each Saturday for several hours looking for non-registered citizens, and this work has resulted in more than 1000 new registrations.

The drive will continue through the September 11 deadline for all persons to register to vote in the November 1958 election.
